

Norwich South Eaton

Date: August, 2017

Message from Inspector AUSTIN

Having just taken over as LPC lead for Norwich South I am keen to hear what residents and business owners expect from their local Police Team. There has been some excellent public engagement over the summer months, with crime prevention and cycle security at the forefront and this will continue. We have seen a spike in burglary offences and I urge residents to be vigilant with their home security and report suspicious people they see. You are the eyes and ears of the community and we need your information to tackle criminality efficiently.

Message from your Engagement Officer

PC 1420 BINNS

I want to hear what you think the local police team should focus on? People's opinions count and I need to find a way to make the Priority Setting Process more representative of the communities. Please email your comments on this topic to me at binnsa@norfolk.pnn.police.uk

What is happening in your area

Home security: after a recent spate of burglaries please ensure your doors and windows are secure, even when home, to prevent the opportunistic thief. Do not leave valuable items within reach of windows. If you see suspicious persons in your community whom, you do not recognise report it.

Consider setting up a Neighbourhood Watch, bringing communities together and increasing the capability to share intelligence. Email the Engagement Officer for more info.

Neighbourhood Priorities

Drugs & ASB along the Unthank Road corridor. This has been the focus for some time and the Priority Setting will be under review shortly so that a new priority can be discussed and set.
