Message from Inspector AUSTIN

This year sees the policing model for Norfolk Police going through some important changes and will see a focus on delivering community policing. Engagement with the public is key to shaping how we deliver our service, as each neighbourhood faces different challenges. Neighbourhood teams will support communities and encourage them to get involved with Priority Settings, Neighbourhood Watch and Community Speedwatch. Our engagement will develop trust and the flow of information and I look forward to leading my teams to deliver against the needs of the community.
