## Message from Inspector HAYES.....

This previous month has been a busy time for us, driving the Priority Setting Process with our key partners and community contacts. We had a fantastic response during the consultation period and this was enhanced further with the encouraging public voting. 368 people voted and almost 11,000 were reached through the social media platforms. Our new Priority has been adopted and the team are striving to deliver positive results on this as we speak. I would urge the public to call Police to report issues so we can react accordingly.

## Message from your Engagement Officer

In April there were changes to Home Office Counting Rules around how Burglary is recorded by Police. Burglary will now be classified as 'Residential' or 'Business and Community'. This is different to the previous classification of 'Burglary Dwelling' and 'Burglary Non-Dwelling'.

Residential Burglary will encompass entry to any building within the curtilage/boundary of a residence, e.g. garden sheds and garages. Business and community Burglaries will include shops, businesses and other property. In general, the purpose for which a building is designed will determine whether it should be classified as 'Residential' or 'Business and Community'
