

Norwich South, Eaton

Date: Sept, 2017

Message from Inspector AUSTIN

As the nights draw in I want to urge people to stay safe and look out for each other. If you see suspicious people or vehicles report them. Officers do patrol key areas of Norwich South but they cannot be everywhere.

If your community is experiencing particular problems please contact the Norwich Engagement Officer to raise these concerns—binnsa@norfolk.pnn.police.uk

Message from your Engagement Officer

Please consider how you park your car. Be mindful of high risk sites such as schools and those designated with “no parking areas”. Also be mindful of the visually impaired—parking on the pavement creates a significant risk and has a massive impact on that persons movement. Think “IS THIS A SAFE PLACE TO PARK?”

What is happening in your area

Once again this month we have seen crimes recorded whereby vehicles and sheds have been accessed as they are insecure. Please lock doors and windows and remove valuable items from view of a potential thief. It only takes a few seconds for a thief to take your property but the impact can have a lasting affect on the person.

Our policing response is only as good as the information we receive—you are the eyes and ears of the community so please report what you see, if you think it is suspicious. Record important details of what you see, descriptions, clothing, vehicle details etc so that we can respond appropriately and maximise evidential opportunities.

Again I would like to mention bike thefts. We have held bike marking events at ASDA recently and future events will be posted on our social media accounts. Secure you bike with a good quality D lock and register the frame number on bikeregister.com.

Neighbourhood Priorities

The current Priority voting is underway and results will be published next week. Just because an issue does not feature on this process does not mean it gets no policing response. We assess all community issues based on threat, risk and harm and respond accordingly, but this process allows the public to engage locally and shape how we deliver our service.
