

Eaton Village Residents' Association - Scarecrow Festival

Sunday 2nd to Sunday 9th August 2020

Scarecrow Trail Map

The theme for 2020 is: "Heroes"

We are celebrating all the Heroes who have supported our community and ensured our safety since March. The NHS, Carers, Blue Light Services, delivery drivers, bus drivers, council workers, supermarket and shop workers, milk and newspaper deliverers, NR4 Covid-19 Volunteers, local shops and Post Office and many more – we thank you all.

Scarecrow Trail Map

Here is the Trail Map with the location of all the scarecrows on display this year.

Enjoy the display and have a good time visiting these. They will be on display for a week so you could plan your visits over a number of days.

The participants have put a lot of work into creating their scarecrows for your enjoyment. Please respect their property when viewing the scarecrows.

Please take care when visiting the scarecrows and remember to follow the Government advice and guidance on Social Distancing for the safety of yourselves and others.
