CHILDREN'S COLOURING COMPETITION

Children living in Eaton Village are invited to draw and colour an Easter-Spring picture. It would be great to see their pictures displayed in front windows or outside your homes around the village during the week of the trail.

We ask parents to take a photograph of their children's pictures and either:

- post them to the EVRA Facebook page
- send them via direct message to the EVRA Facebook page
- email them to events.evra@gmail.com
- post the picture through the door of 11 Brentwood, Eaton.

Entries must:

- Be on A4
- Include the child's full name, age, and a contact telephone number or email address.
- Be received by midnight 11 April 2023.

There will be one Easter Egg prize for each age category: 0-5, 6-9, 10-13 years old. Prizes have been sponsored by Smith & Pinching.

The winning entries will be chosen by the Eaton art group, and there will be a prize giving at Smith & Pinching offices 12.00 midday on 13th April.
